Dear Judge Dein

Just wondering what's going on with the case , don't mean to rush you its been over 90 days and I have not heard anything.

Also I give all claims to Jonathan Mason Devine my nephew if I pass on and if I am not around anymore. I'm not going anywhere, but just in case if my case succeeds that's what I would like to happen. For a trust fund to be set up for him and that he receives all funds on his 25th Birthday, which is my wish that is what I want.

Thank you

Christopher Michael Devine

On the 11th of January, 1863, the author of the present paper, with his wife and two sons, left New York for Europe, and, after a sojourn of nearly two months in England, France, and Germany, arrived in Italy on the 11th of March. The author had intended to remain in Italy only a few weeks, but, as he found the climate and the country so interesting, he remained longer than he had intended, and, on the 11th of April, he and his wife and two sons, left Italy for France, and, on the 11th of May, arrived in England.
